EDUCATION

Louisiana Tech University

Expected Fall 2028

Bachelor of Science, Cyber Engineering

Ruston, LA

- Relevant coursework: Data Structures, Systems Programming, Computer Network Security, Introduction to Microprocessors.

CYBERSECURITY COMPETITION

N-CAE Cyber Games — Blue Team

2025

Louisiana Tech Cyber Security Club (LTSEC)

Ruston, LA

- Defended a pre-configured network against an active red team, where scoring rewarded keeping services reachable under sustained attack.
- Owned DNS and CTF challenges: maintained name resolution for the team's infrastructure while it was targeted, and investigated how malware is delivered and detected.
- *Won the most improved player award*
