EDUCATION

Louisiana Tech University

Bachelor of Science, Cyber Engineering

Expected 11/28

Ruston, LA

- Relevant coursework: Data Structures, Systems Programming, Intro to Microprocessors (in progress)

SECURITY COMPETITIONS

WRCCDC Invitational #1 — Blue Team

Oct 2026

Western Regional Collegiate Cyber Defense Competition

- Defended an enterprise network's firewall, router, and DNS services against a live red team in a scored competition.
- Hardened perimeter devices by replacing default and weak credentials and tightening firewall rules.
- Restored DNS records after red team tampering to keep name resolution available for scored services.

N-CAE Cyber Games — Blue Team

2025

Louisiana Tech Cyber Security Club (LTSEC)

Ruston, LA

- Defended a pre-configured network against an active red team, where scoring rewarded keeping services reachable under sustained attack.
- Maintained DNS name resolution for the team's infrastructure while it was actively targeted.
- Completed CTF challenges investigating how malware is delivered and detected.
- Received the Most Improved Player award.

LEADERSHIP & INVOLVEMENT

Louisiana Tech Cyber Security Club (LTSEC)

2026 – Present

Outreach & Public Relations

Ruston, LA

- Recruit Cyber Engineering and Computer Science students into the club.
- Write the emails and announcements that notify members of meetings and events.

WORK EXPERIENCE

Circle K — Customer Service Representative

Sep 2024 – Nov 2025

- Served customers in a high-volume retail environment while maintaining accurate records and daily data entry.
